Subject: Alstead Reinsurance Ltd.

Dear Mr Lister,

We enclose the Condensed and Statutory Financial Statements and the accompanying notes and our signed auditor's reports thereon for Alstead Reinsurance Ltd. for the year ended December 31, 2023.

Please note that no changes should be made to the Condensed and Statutory Financial Statements without our prior knowledge and agreement.

Very truly yours,

Report of Independent Auditors

To the Board of Directors of Alstead Reinsurance Ltd.

Opinions

We have audited the accompanying condensed financial statements of Alstead Reinsurance Ltd. (the "Company"), which comprise the condensed balance sheets and condensed statements of capital and surplus as of December 31, 2023 and December 31, 2022, and the related condensed statements of income for the years then ended, including the related notes (collectively referred to as the "condensed financial statements").

Unmodified opinion on regulatory basis of accounting

In our opinion, the accompanying condensed financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and December 31, 2022, and the results of its operations for the years then ended in accordance with the financial reporting provisions of the Insurance Act 1978, amendments thereto and the Insurance Account Rules 2016 with respect to condensed general purpose financial statements (the "Legislation").

Adverse opinion on U.S. generally accepted accounting principles

In our opinion, because of the significance of the matter discussed in the *Basis for adverse opinion on U.S. generally accepted accounting principles* section of our report, the accompanying condensed financial statements do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Company as of December 31, 2023 and December 31, 2022, or the results of its operations for the years then ended.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the *Auditors'* responsibilities for the audit of the condensed financial statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis for adverse opinion on U.S. generally accepted accounting principles
As described in Note 3 to the condensed financial statements, the condensed financial statements are
prepared by the Company on the basis of the financial reporting provisions of the Legislation, which is a
basis of accounting other than accounting principles generally accepted in the United States of America,
to meet the requirements of the Bermuda Monetary Authority.

The effects on the condensed financial statements of the variances between the regulatory basis of accounting described in Note 3 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material and pervasive.

Responsibilities of management for the condensed financial statements

Management is responsible for the preparation and fair presentation of the condensed financial statements in accordance with the financial reporting provisions of the Legislation. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the condensed financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the condensed financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date the condensed financial statements are available to be issued.

Auditors' responsibilities for the audit of the condensed financial statements

Our objectives are to obtain reasonable assurance about whether the condensed financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the condensed financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the condensed financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks.
 Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the condensed financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is
 expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the condensed financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO CONDENSED GENERAL PURPOSE FINANCIAL STATEMENTS

ALSTEAD REINSURANCE LTD. DECEMBER 31, 2023 and 2022

(Expressed in thousands of U.S. Dollars except per share data)

Matters to set forth in a General Note to the Financial Statements

- 1. Alstead Reinsurance Ltd., (the "Insurer") was incorporated under the laws of Bermuda on June 28, 2013 and is registered as a segregated accounts company under the Segregated Accounts Company Act 2000, as amended (the "SAC Act"). The Insurer is licensed as a Class 3A insurance company under the Bermuda Insurance Act 1978, amendments thereto and Related Regulations, ("the Act"). The Insurer is directly owned by SiriusPoint Bermuda Insurance Company Ltd. (effective May 27th, 2021, it changed its name from Sirius Bermuda Insurance Company Ltd.), and its ultimate owner is SiriusPoint Ltd. On February 26, 2021, Third Point Reinsurance Ltd. completed the acquisition of Sirius International Insurance Group, Ltd and its subsidiaries including the Insurer and Sirius Bermuda Insurance Company Ltd. ("Sirius Group") and changed its name from Third Point Reinsurance Ltd. to SiriusPoint Ltd. ("SiriusPoint").
- 2. The Company began writing accident and health reinsurance on a quota share basis from affiliated entities, effective October 1, 2015 and effective January 1, 2021 the Company entered into a program manager agreement to underwrite direct accident and health business on behalf of an affiliated entity.

3. Significant accounting policies and basis of presentation

The condensed general purpose financial statements have been prepared in conformity with the financial reporting provisions of the Insurance Act 1978, amendments thereto and the Insurance Account Rules 2016 with respect to the condensed general purpose financial statements (the "Legislation"). The condensed general purpose financial statements are based upon accounting principles generally accepted in the United States of America ("US GAAP") but are in accordance with the reporting requirements of the Legislation, which varies in certain respects from US GAAP. The more significant variances are as follows:

- A statement of cash flows is not included;
- A statement of comprehensive income is not included;
- The presentation and classification of financial statement line items is in accordance with Schedules IX and XI of the Insurance Account Rules 2016 and differ from the expected presentation and classification under US GAAP; and
- The notes included in the condensed general purpose financial statements have been prepared in accordance with Schedule X of the Insurance Account Rules 2016 and exclude certain disclosures required under US GAAP.

The presentation of the condensed financial statements in conformity with the Legislation requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities, at the date of the financial statements. The most significant item on the balance sheet that involves accounting estimates and actuarial determinants are reserves for losses and loss expenses. The recorded amounts of revenues and expenses during the reporting period are based on information currently available, and actual results could differ from these estimates. Management believes the amounts recorded are reasonable. The significant accounting policies are summarised as follows:

Premiums

Premiums are earned on a pro rata basis over the terms of the policies. Premiums applicable to future periods, if any, are deferred as unearned premium in the balance sheet.

Commissions

Commissions are deferred and amortized over the periods in which the related premiums are earned.

Losses and loss adjustment expenses

The liability for losses and loss adjustment expenses represents estimates of the ultimate cost of all losses incurred but not paid through to the balance sheet date. These estimates are continually reviewed and, as adjustments become necessary, such adjustments are reflected in current operations. Inherent in the estimates of losses are expected trends of frequency, severity and other factors that could vary significantly

as claims are settled. Accordingly, ultimate losses could vary from the amounts provided in these financial statements. Any subsequent differences arising are recorded in the period in which they are determined.

Funds withheld

Under the terms of the reinsurance agreements, the ceding reinsurer retains a portion of the net premiums to provide security against future loss payments. The funds withheld are generally invested by the ceding reinsurer and attract interest credits. Interest earned on funds withheld is recorded as other income.

Investments

Investments at December 31, 2023 consist of fixed maturity securities held for general investment purposes. The portfolio of investment securities includes debt securities available for sale ("AFS") and short-term investments. Trading securities are carried at fair value with changes in fair value included in earnings in the statutory income statement. AFS securities are held at fair value, net of an allowance for credit losses, and any decline in fair value that is believed to arise from factors other than credit is recorded as a separate component of statutory surplus. The Company has elected to classify debt securities, other than short term investments, purchased on or after April 1, 2022 as AFS.

Premiums and discounts on all fixed maturity investments are amortized and/or accreted over the anticipated life of the related investment. Interest income is recognized when earned in combined investment income - net on the Condensed Statement of Income. Realized gains and losses are included in combined realized gains (losses) on the Condensed Statement of Income and are derived using the specific identification method for determining the cost of investments sold.

Cash and cash equivalents

Cash and cash equivalents comprise of amounts held at banks.

4-5. See Note 3 above.

6. Translation of foreign currencies

The reporting and functional currency of the insurer is USD. Monetary assets and liabilities denominated in currencies other than the functional currency are revalued at period end rates of exchange, with resulting gains and losses included in income. Revenues and expenses denominated in foreign currencies are translated at average rates of exchange for the period. Gains and losses resulting from foreign currency transactions are recorded on line 32, combined other income/ (deductions).

- 7. There are no foreign exchange control restrictions affecting any of the Insurer's assets.
- 8-12. N/A

13. Fair Value of Investments

Fair value measurements are categorized into a hierarchy that distinguishes between inputs based on market data from independent sources ("observable inputs") and a reporting entity's internal assumptions based upon the best information available when external market data is limited or unavailable ("unobservable inputs"). Quoted prices in an active markets for identical assets or liabilities have the highest priority ("Level 1"), followed by observable inputs other than quoted prices, included prices for similar but not identical assets or liabilities ("Level 2") and unobservable inputs, including the reporting entity's estimates of the assumptions that market participants would use, having the lowest priority ("Level 3").

The following tables summarize the Insurer's fair value measurements for investments as of December 31, 2023 by level.

	-	ted prices e markets fied assets (Level 1)	ignificant bservable inputs (Level 2)	unob	gnificant oservable inputs (Level 3)		Total
