Report of Independent Auditors

To the Board of Directors of Del Re Ltd.

Opinions

We have audited the accompanying condensed financial statements of Del Re Ltd. (the “Company”), which comprise the condensed balance sheets and condensed statements of capital and surplus as of December 31, 2023 and December 31, 2022, and the related condensed statements of income for the years then ended, including the related notes (collectively referred to as the “condensed financial statements”).

Unmodified opinion on regulatory basis of accounting

In our opinion, the accompanying condensed financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and December 31, 2022, and the results of its operations for the years then ended in accordance with the financial reporting provisions of the Insurance Act 1978, amendments thereto and the Insurance Account Rules 2016 with respect to condensed general purpose financial Statements (the “Legislation”).

Adverse opinion on U.S. generally accepted accounting principles

In our opinion, because of the significance of the matter discussed in the *Basis for adverse opinion on U.S. generally accepted accounting principles* section of our report, the accompanying condensed financial statements do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Company as of December 31, 2023 and December 31, 2022, or the results of its operations for the years then ended.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the *Auditors’ responsibilities for the audit of the condensed financial statements* section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis for adverse opinion on U.S. generally accepted accounting principles

As described in Note 3 to the condensed financial statements, the condensed financial statements are prepared by the Company on the basis of the financial reporting provisions of the Legislation, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of the Bermuda Monetary Authority.

The effects on the condensed financial statements of the variances between the regulatory basis of accounting described in Note 3 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material and pervasive.

Responsibilities of management for the condensed financial statements

Management is responsible for the preparation and fair presentation of the condensed financial statements in accordance with the financial reporting provisions of the Legislation. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the condensed financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the condensed financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date the condensed financial statements are available to be issued.

Auditors' responsibilities for the audit of the condensed financial statements

Our objectives are to obtain reasonable assurance about whether the condensed financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the condensed financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the condensed financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the condensed financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the condensed financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

General Notes to the Condensed General Purpose Financial Statements

1. DEL Re Ltd. (the "Company") was incorporated on April 26, 2011 as an exempted company with the Registrar of Companies in Bermuda. Effective May 9, 2011, the Company registered as a Class 3A insurer under The Bermuda Insurance Act 1978 and related regulations (the "Act").

The Company is wholly owned by DEL Re Holdings, Inc. (the "Parent") a corporation registered in Florida, USA. The ultimate sole owner is George Schaeffer.

2. The Company provides Florida catastrophic reinsurance coverage to its affiliated company, People's Trust Insurance Company ("PTIC"). The Company covers exposure to catastrophic events caused by natural events such as high winds, tornadoes, tropical storms and hurricanes.
3. The condensed general purpose financial statements have been prepared in accordance with the financial reporting provisions of the Insurance Act 1978, amendments thereto and the Insurance Account Rules 2016 with respect to Condensed General Purpose Financial Statements (the "Legislation"). The condensed general purpose financial statements are based on United States of America Generally Accepted Accounting Principles ("US GAAP") but are in accordance with the reporting requirements of the Legislation, which varies in certain respects from US GAAP. The more significant variances are as follows:
 - A statement of cash flows is not included;
 - A statement of comprehensive income is not included;
 - The presentation and classification of financial statement line items is in accordance with Schedules IX and XI of the Insurance Account Rules 2016 and differ from the expected presentation and classification under US GAAP; and
 - The notes included in the condensed general purpose financial statements have been prepared in accordance with Schedule X of the Insurance Account Rules 2016 and exclude certain information required under US GAAP.
4. The Financial Statements are prepared in accordance with accounting principles as described in Note 3 and are denominated in U.S. dollars. All estimates are subjective in nature and could materially influence the financial statements. Accordingly, management makes these estimates and assessments on an ongoing basis according to past experience and various factors that are deemed reasonable and which constitute the basis for these assessments. The amounts shown in the Company's future financial statements are likely to differ from these estimates in accordance with changes in assumptions or different conditions. It is believed that the estimates utilized in preparing these financial statements are reasonable; however, actual results could differ from these estimates and such differences could be material.

DEL Re Ltd.
Notes to the Condensed General Purpose Financial Statements
December 31, 2023

The following are the significant accounting policies adopted by the Company:

(a) Premiums

Premiums assumed are recorded on the accruals basis and are included in income in the period to which they relate. Commissions are recorded on the accrual basis.

Premium returns are recorded by the Company in accordance with the terms of the insurance policy and are booked as receivable and a reduction of premium written when return of premium is certain.

(b) Losses reserves

The loss and loss expenses provision includes reserves for unpaid reported losses (“case”) and for losses incurred but not reported (“IBNR”). The case reserve is established based on reports from PTIC and represents the estimate ultimate cost of events or conditions that have been reported to, or specifically identified by the insurer. The reserve for IBNR is established by management based on actuarially determined estimates of ultimate losses and loss expenses. Inherent in the estimate of ultimate losses and loss expenses are expected trends in claim severity and frequency and other factors which may vary significantly as claims are settled. Accordingly, ultimate losses and loss expenses may differ materially from the amounts recorded in the condensed general purpose financial statements

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and amounts of revenues and expenses during the reported period. Actual results could differ materially from those estimates.

(c) Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held with banks and other short-term highly liquid investments with a maturity of three months or less at the date of purchase. The carrying value approximates fair value because of the short-term nature and high liquidity of these assets.

(d) Investment income

Investment income consists of interest and dividend income. Interest income is accrued to the balance sheet date. Investment income is stated net of investment manager, custody fees and withholding taxes.

13. Sundry assets

At December 31, 2023, sundry assets amounted to \$4,981,756 (2022- \$2,618,774). Sundry assets comprise Deferred acquisition costs of \$3,519,520 (2022 - \$1,142,842); deferred tax asset of \$1,462,236 (2022 - \$1,462,236) and prepaid expenses of \$0 (2022 - \$13,695). Deferred acquisition costs represent the acquisition costs related to the portion of premiums written which are applicable to the unexpired terms of the policies in force at year end. Prepaid expenses represent the portion of Secretarial and Directors fees paid in advance not expensed yet. Refer to Notes to the Balance sheet, note 31(b) for the details of deferred tax assets.

14. Not applicable

16. Unearned premium

Refer to the General Notes, note 4(a)

17. Loss and loss expense provision

Refer to General Notes, note 4(b)

The reserves for losses and loss expenses comprise of:

	2023	2022
	\$	\$
Outstanding losses	667,085	1,011,916
Losses incurred but not reported	3,652,073	1,897,194
	4,319,158	2,909,110

DEL Re Ltd.
Notes to the Condensed General Purpose Financial Statements
December 31, 2023

The activity in the reserves for losses and loss expense is as follows:

	2023	2022
Balance, beginning of year	\$ 2,909,110	\$ 4,705,330
Net losses incurred and net loss expenses incurred related to:		
(a) Current year	4,021,235	5,239,016
(b) Prior Years	<u>(552,414)</u>	<u>(674,503)</u>
Total net losses incurred and net loss expenses incurred	<u>3,468,821</u>	<u>4,564,513</u>
Less: Losses and loss expenses paid or payable related to:		
(a) Current year	871,957	3,921,814
(b) Prior years	<u>1,186,816</u>	<u>2,438,919</u>
Total losses and loss expenses paid or payable	<u>2,058,773</u>	<u>6,360,733</u>
Balance, end of year	<u>\$ 4,319,158</u>	<u>\$ 2,909,110</u>

Management believes that the assumptions used establishing its provision for loss and loss expenses represent a realistic and appropriate basis for estimating those reserves as of December 31, 2023. However, these assumptions are subject to change and the Company continually reviews and adjusts its reserve estimates taking into account all currently known information and updated assumptions related to unknown information. While management believes it has made a reasonable estimate of loss expenses occurring up to the balance sheet date, the ultimate costs of claims incurred could exceed the Company's reserves and have a materially adverse effect on its future results of operations and financial condition.

a) Net incurred losses and loss adjustment expenses incurred relating to prior years decreased by \$(552,414) (2022 -\$674,503) which was attributable to favorable development.

(b) The Company has established trust accounts and holds cash equivalent balances to support the insurance liabilities of the Company. These restricted assets of \$19,238,675 (2022 - \$9,648,970) will be used to fund all future loss and loss expenses as they arise.

31(a) **Income taxes payable**

Bermuda taxes

Under current Bermuda law, the Company is not required to pay any taxes in Bermuda on either income or capital gains. The Company has received an undertaking from the Minister of Finance in Bermuda that in the event of any such taxes being imposed, the Company will be exempted from taxation until the year 2035.

On December 27, 2023, final legislation was passed in Bermuda to enact a 15% Corporate Income Tax that would apply to Bermuda businesses that are part of a multinational group with annual revenue over EUR 750 million. The law is effective starting on January 1, 2025. The exemption from taxation until 2035 previously mentioned does not apply to this tax.

The Company will continue to monitor developments with respect to the legislation, but the financials as presented do not reflect an impact as the company expects to have a full credit against this Bermuda tax for the U.S. taxes incurred due to the section 953(d) election discussed in the subsequent paragraph.

US Taxes

The Company has filed an election under the Section 953(d) of the Internal Revenue Code of 1986, as amended, to be taxed as a domestic US corporation. As a result of the "domestic election", the Company is subject to US taxation on its worldwide taxable income as if it were a US corporation.

31(b) **Deferred income taxes**

The components of the deferred income tax asset are as follows:

	2023	2022
Loss carry forward	\$783,850	\$1,257,180
Unearned premium	433,488	185,127
Loss reserves	27,222	19,929
Total	<u>1,244,560</u>	<u>1,462,236</u>

32. At December 31, 2023 \$6,237 (2022 - \$0) was due to PTIC.

33. **Accounts payable and accrued liabilities**

At December 31, 2023, \$45,949 (2022 - \$28,750) was due to third party service providers.
