## Report of Independent Auditors

The Board of Directors  
Axcelus Financial Global Insurance Ltd.  
(formerly known as Lombard International Global Insurance  
Ltd.)

### Opinions

We have audited the accompanying condensed financial statements Axcelus Financial Global Insurance Ltd. (formerly known as Lombard International Global Insurance Ltd.) (the “Company”), which comprise the condensed balance sheets and condensed statements of capital and surplus as of December 31, 2023 and 2022, and the related condensed statements of income for the years then ended, including the related notes (collectively referred to as the “condensed financial statements”).

#### *Unmodified Opinion on Regulatory Basis of Accounting*

In our opinion, the accompanying condensed financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and 2022, and the results of its operations for the years then ended in accordance with the financial reporting provisions of the Insurance Act 1978, amendments thereto and the Insurance Account Rules 2016 with respect to condensed general purpose financial statements (the “Legislation”).

#### *Adverse Opinion on U.S. Generally Accepted Accounting Principles*

In our opinion, because of the significance of the matter discussed in the *Basis for adverse opinion on U.S. generally accepted accounting principles* section of our report, the accompanying condensed financial statements do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Company as of December 31, 2023 and 2022, or the results of its operations for the years then ended.

### Basis of Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the *Auditors’ responsibilities for the audit of the condensed financial statements* section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

*Reference: Report of Independent Auditors on the condensed financial statements of Axcelus Financial Global Insurance Ltd. (formerly known as Lombard International Global Insurance Ltd.) as at December 31, 2023 and 2022 and for the years then ended.*

### *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles*

As described in Note 3 to the condensed financial statements, the condensed financial statements are prepared by the Company on the basis of the financial reporting provisions of the Legislation, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of the Bermuda Monetary Authority.

The effects on the condensed financial statements of the variances between the regulatory basis of accounting described in Note 3 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material and pervasive.

### **Responsibilities of Management for the Condensed Financial Statements**

Management is responsible for the preparation and fair presentation of the condensed financial statements in accordance with the financial reporting provisions of the Legislation. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the condensed financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the condensed financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date the condensed financial statements are available to be issued.

### **Auditors' Responsibilities for the Audit of the Condensed Financial Statements**

Our objectives are to obtain reasonable assurance about whether the condensed financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the condensed financial statements.

*Reference: Report of Independent Auditors on the condensed financial statements of Axcelus Financial Global Insurance Ltd. (formerly known as Lombard International Global Insurance Ltd.) as at December 31, 2023 and 2022 and for the years then ended.*

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the condensed financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the condensed financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the condensed financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Axcelus Financial Global Insurance Ltd.  
General Note to the Condensed General Purpose Financial Statements

**1. Shareholder Controllers of the Insurer and Insurer's Affiliates Consolidated with the Insurer**

Axcelus Financial Global Insurance Ltd. (the "Company") was incorporated on October 27, 2020 under the laws of Bermuda and is licensed as a Class C insurer under the Bermuda Insurance Act of 1978 and related regulations. The Company is a wholly owned subsidiary of Axcelus Financial Bermuda Holdings Ltd. (formerly Lombard International Bermuda Holdings Ltd.).

On November 30, 2023, Lombard International Global Insurance Ltd.'s former ultimate parent, LIA Holdings Ltd., sold Lombard International Bermuda Holdings Ltd. and subsidiaries, including Lombard International Global Insurance Ltd., to AXL Wealth Acquisition, LLC, an affiliate of BroadRiver Asset Management, L.P.

On December 27, 2023, Lombard International Global Insurance Ltd. changed its name to Axcelus Financial Global Insurance Ltd.

On December 27, 2023, Lombard International Bermuda Holdings Ltd. changed its name to Axcelus Financial Bermuda Holdings Ltd.

**2. General Nature of the Risks Underwritten by the Insurer**

The Company is in the business of issuing life insurance and private placement funding agreement products to High Net Worth Individuals (HNWIs). The Company has registered under the Segregated Accounts Companies Act 2000 effective March 9, 2021. A separate segregated account of the Company is linked to each policy issued by the Company.

**3. Accounting Standards and Principles on which the Condensed General Purpose Financial Statements are based**

**Basis of Presentation**

The condensed general purpose financial statements have been prepared in conformity with the financial reporting provisions of the Insurance Act 1978, amendments thereto and the Insurance Account Rules 2016 with respect to Condensed General Purpose Financial Statements (the "Legislation").

In connection with the aforementioned change in ownership, the Company converted from basing these condensed general purpose financial statements on International Financial Reporting Standards (IFRS) to Accounting Principles Generally Accepted in the United States of America (U.S. GAAP). This conversion was effective January 1, 2023.

As a result of this conversion, there was no impact to the amounts of any assets, liabilities, revenues, or expenses previously reported in the condensed general purpose financial statements as of and for the year ended December 31, 2022.

**Axcelus Financial Global Insurance Ltd.**  
**General Note to the Condensed General Purpose Financial Statements (Continued)**

The condensed general purpose financial statements are based on U.S. GAAP, but are in accordance with the reporting requirements of the Legislation, which varies in certain respects from U.S GAAP. The more significant variances are as follows:

- A statement of cash flow is not included in the condensed general purpose financial statements but is required for financial statements prepared under U.S. GAAP;
- A statement of comprehensive income is not included in the condensed general purpose financial statements but is required for financial statements prepared under U.S. GAAP;
- The presentation and classification of financial statement line items are in accordance with Schedules IX and XI of the Insurance Account Rules 2016 and differ from the expected presentation and classification under U.S. GAAP; and
- The notes in the condensed general purpose financial statements are in accordance with Schedule X of the Insurance Account Rules 2016 and exclude certain disclosures required under U.S. GAAP.

#### **4. Accounting Policies**

##### **a) Product classification**

The Company's products are classified for accounting purposes as either insurance contracts or investment contracts.

##### **Investment Contracts**

The Company defines private placement funding agreement products which do not transfer significant insurance risk as investment contracts. The majority of the business written by the Company is unit-linked investment business and is classified as investment contracts.

##### *Unit-linked investment contract premiums*

Investment contract contributions received in respect of the investment contracts are treated as policyholder deposits and are not recorded as revenue in the condensed general purpose statement of income. Contributions received for investment contracts are accounted for as deposits and recorded on the condensed general purpose balance sheet within Line 13(c): Segregated Accounts Companies - Long-Term Business - Other, with a corresponding liability in Line 36(b) -Segregated Accounts Companies.

##### *Withdrawals*

Withdrawals from investment contracts are accounted for when payment is due and are deducted from the contract holder account balances reflected in Line 13(c) and on the condensed general purpose balance sheet.

Axcelus Financial Global Insurance Ltd.  
General Note to the Condensed General Purpose Financial Statements (Continued)

**Insurance Contracts**

Insurance Contracts are recognized and measured in accordance with U.S. GAAP, specifically Accounting Standards Codification (ASC) 944 – *Financial Services – Insurance*.

Insurance contracts are those contracts where the Company (the insurer) has accepted significant insurance risk from another party, the policyholder, by agreeing to compensate the policyholders if a specified uncertain future event (the insured event) adversely affects the policyholders. As a general guideline, the Company determines whether it has significant insurance risk, when at least one scenario with commercial substance can be identified in which the Company has to pay significant additional benefits to the policyholder. Once a contract has been classified as an insurance contract, it remains an insurance contract for the remainder of its lifetime.

*Unit-linked insurance premiums*

Premiums received on unit-linked insurance contracts are treated as policyholder deposits and are not recorded as revenue in the condensed general purpose statement of income. Premiums received for insurance contracts are accounted for as deposits on the condensed general purpose balance sheet within Line 13(c): Segregated Accounts Companies - Long-Term Business - Other, with a corresponding liability in Line 36(b) - Segregated Accounts Companies.

*Policy claims and benefits*

Death claims related to insurance contracts are presented net of reinsurance recoveries in the condensed general purpose statement of income within Line 17: Long-Term Deductions and Expenses – Claims – Life. Death claims are accounted for on notification of death.

Surrenders are accounted for when payment is due and are deducted from the policyholder account balances reflected in Line 13(c) on the condensed general purpose balance sheet, net of any applicable surrender charges.

*Insurance reserves*

The Company's policy reserves reflected in Line 22 of the condensed general purpose balance sheet are actuarially calculated reserves representing the present value of expected future benefit payments under the terms of the unit-linked insurance contracts, net of expected reinsurance recoveries.

A reserve for an estimated amount of incurred but not reported death claims is reflected in Line 21 of the condensed general purpose balance sheet.

**b) Revenue Recognition**

Investment contract holders are charged fees for administration and other contract services. The fees may be for fixed amounts, vary with the amount of assets being managed, or vary with the amount of investment contract contributions received by the contract holder. Such fees are charged as an adjustment to the contract holders' balance. These fees are recognized as revenue in the condensed general purpose statement of income within Line 15 - Long-Term Business Income - Other Insurance Income, in the period in which the services are performed.

**Axcelus Financial Global Insurance Ltd.**  
**General Note to the Condensed General Purpose Financial Statements (Continued)**

Unit-linked life insurance policyholders are charged fees for policy administration and other contract services. Such fees are recognized as revenue in the condensed general purpose statement of income within Line 15: Long-Term Business Income, Other Insurance Income. These fees generally include the following:

- (i). Asset based fees, representing charges to policyholders' accounts for the administration of the assets under administration ("AUA"). Services related to the administration of unit-linked contracts are recognized as revenue as the services are provided.
- (ii). Cost of insurance charges, which represent risk charges to policy holder accounts on a monthly basis and recognized as revenue over the associated risk period.
- (iii). Other contract fees, representing front-end load charges to policyholder accounts primarily resulting from premiums deposited into policyholder accounts.

**(d) Cash and Cash Equivalents**

Cash and cash equivalents include cash in hand, deposits held at call with banks and other short-term highly liquid investments with original maturities of three months or less.

**(e) Investments**

The policy and contract holder investments held by the Company are initially and subsequently recognized at fair value. Policy and contract holder investments are presented on the condensed general purpose balance sheet within Line 13(c) - Segregated Accounts Companies - Long-Term Business - Other, with a corresponding liability in Line 36(b) - Segregated Accounts Companies.

**(f) Investment Return**

Gains and losses and investment income due to unit-linked contracts are credited to the individual policy and contract holder account; as unit-linked contracts bear the investment risk. Such balances are not presented in the condensed general purpose statements of income on a gross basis for the years ended December 31, 2023 and 2022.

**(i) Income Tax**

The Company is not subject to Bermuda income or capital gains tax under current Bermuda law. The Company is not subject to tax in any other jurisdiction.

On December 27, 2023, the Bermuda government enacted the Bermuda Corporate Income Tax Act 2023 (the "CITA"). Effective in 2025, the CITA imposes a 15% corporate income tax ("CIT") on Bermuda businesses that are part of certain multinational enterprise groups ("MNE groups") with €750 million of revenue. The CITA disregards Tax Assurance Certificates issued under the Bermuda Exempted Undertakings Tax Protection Act of 1966. The Company is not subject to tax in any other jurisdiction (the "TPA") for in-scope entities. While the Company is assessing guidance from the Bermuda government, the Company does not expect to be a member of an MNE group that meets the €750 million revenue threshold and that the CIT not apply to the Company.
