**Condensed General Purpose Financial Statements**

**For the Years ended December 31, 2023 and 2022**

## INDEPENDENT AUDITORS' REPORT

To the Board of Directors,  
Crabel Re Ltd.

### Opinions

We have audited the accompanying condensed financial statements of Crabel Re Ltd. (the "Company"), which comprise the condensed balance sheets and condensed statements of capital and surplus as of December 31, 2023 and 2022, and the related condensed statements of income for the years then ended, including the related notes (collectively referred to as the "condensed financial statements").

### Unmodified opinion on regulatory basis of accounting

In our opinion, the accompanying condensed financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and 2022, and the results of its operations for the years then ended in accordance with the financial reporting provisions of the Insurance Act 1978, amendments thereto and the Insurance Account Rules 2016 with respect to condensed general purpose financial Statements (the "Legislation").

### Adverse opinion on U.S. generally accepted accounting principles

In our opinion, because of the significance of the matter discussed in the *Basis for adverse opinion on U.S. generally accepted accounting principles* section of our report, the accompanying condensed financial statements do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Company as of December 31, 2023 and 2022, or the results of its operations for the years then ended.

### Basis for opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the *Auditors' responsibilities for the audit of the condensed financial statements* section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### Basis for adverse opinion on U.S. generally accepted accounting principles

As described in Note 3 to the condensed financial statements, the condensed financial statements are prepared by the Company on the basis of the financial reporting provisions of the Legislation, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of the Bermuda Monetary Authority.

The effects on the condensed financial statements of the variances between the regulatory basis of accounting described in Note 3 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material and pervasive.

## INDEPENDENT AUDITORS' REPORT *(continued)*

### **Responsibilities of management for the condensed financial statements**

Management is responsible for the preparation and fair presentation of the condensed financial statements in accordance with the financial reporting provisions of the Legislation. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the condensed financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the condensed financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date the condensed financial statements are available to be issued.

### **Auditors' responsibilities for the audit of the condensed financial statements**

Our objectives are to obtain reasonable assurance about whether the condensed financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the condensed financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the condensed financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the condensed financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the condensed financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Crabel Re Ltd.**  
**Notes to the Condensed General Purpose Financial Statements**  
**For the years ended December 31, 2023 and 2022**

**Part 1: General Notes to the Financial Statements**

1. Crabel Re Ltd. (the “Company”) was incorporated under the laws of Bermuda on November 20, 2014 and is licensed as a Class 3A insurer pursuant to The Insurance Act 1978 (“the Act”). The Company is immediately and ultimately owned by Crabel Capital Holdings Ltd., is managed and has its principal place of business in Bermuda.

2. The Company is part of a panel of participating reinsurers supported by and providing reinsurance to Multi-Strat Re Ltd. (“MSRe”) for all classes of property and casualty business and workers’ compensation business. MSRe is licensed as a Class 3A insurer under the Act and provides reinsurance for captives, insurance and reinsurance companies, managing general agencies, risk retention groups, run-off companies, and other insurance-related companies requiring surplus relief, risk capacity, and risk protection by assuming low loss volatility, loss portfolio transfers, and capped quota share business through multiple sources.

The Company and each of the other participating reinsurers have entered into: i) a Master Services Agreement with MSRe whereby MSRe provides certain underwriting and administrative services to the Company, ii) a Quota Share Retrocession Agreement whereby the Company agrees to assume a quota share percentage of the business written by MSRe, and iii) an Account Management Fee Agreement whereby the Company compensates MSRe for its role in providing underwriting, claims, and other services in respect to the business assumed by the Company from MSRe. The quota share percentage can vary over time based on the Company’s appetite for assuming the business risks written by MSRe. The account management fee is calculated and payable quarterly at an annual rate of 50 bps times’ insurance liabilities at the end of the quarter. Under the terms of its current license, the Company cannot write non-MSRe business without the prior approval of the Bermuda Monetary Authority.

3. The condensed general purpose financial statements have been prepared in conformity with the financial reporting provisions of the Insurance Act 1978, amendments thereto and the Insurance Account Rules 2016 with respect to Condensed General Purpose Financial Statements (the “Legislation”). The condensed general purpose financial statements are based upon accounting principles generally accepted in the United States of America (“US GAAP”) but are in accordance with the reporting requirements of the Legislation, which varies in certain respects from US GAAP. The more significant variances are as follows:

- A statement of cash flows is not included;
- A statement of comprehensive income is not included;
- The presentation and classification of financial statement line items is in accordance with Schedules IX and XI of the Insurance Account Rules 2016 and differ from the expected presentation and classification under US GAAP; and
- The notes included in the condensed general purpose financial statements have been prepared in accordance with Schedule X of the Insurance Account Rules 2016 and exclude certain information required under US GAAP.

**4. Significant Accounting Policies**

The accompanying condensed general purpose financial statements are prepared in conformity with the financial reporting provisions of The Act and reflect the following policies.

**Use of Estimates**

To prepare the condensed general purpose financial statements, management has to make estimates and assumptions that affect the book value of assets and liabilities, income and expenses, and data disclosed in the notes to the condensed general purpose financial statements.

All estimates are subjective in nature and could materially influence the condensed general purpose financial statements. Accordingly, management makes these estimates and assessments on an ongoing basis according to past experience and various factors that are deemed reasonable and which constitute the basis for these assessments. The amounts shown in the Company’s future condensed general purpose financial statements are likely to differ from these estimates in accordance with changes in assumptions or different conditions.

The principal significant estimates made by the Company’s management primarily affect the provision for losses and loss adjustment expenses and fair value of investments.

**Notes to the Condensed General Purpose Financial Statements**  
**For the years ended December 31, 2023 and 2022**

**Part 1: General Notes to the Financial Statements – continued**

**4. Significant Accounting Policies - continued**

**Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand and other short-term highly liquid investments with a maturity of three months or less at the date of purchase. The carrying value approximates fair value because of the short-term nature and high liquidity of these assets.

**Revenue Recognition and Acquisition Costs**

Insurance premiums for prospective reinsurance policies are earned over the loss exposure or coverage period of the underlying policies. Premiums for retroactive reinsurance policies are earned at the inception of the contracts, as all of the underlying loss events covered by the underlying policies occurred in the past. Any underwriting profit at inception related to retroactive exposures in a reinsurance contract is deferred and recognized over the estimated future payout period of the losses and loss adjustment expense reserves. Any underwriting loss at inception related to retroactive exposures in a reinsurance contract is recognized immediately. Premium adjustments are recorded in the periods in which they become known. Commissions and other costs incurred on the acquisition of new and renewal business are deferred and amortized over the terms of the policies or contracts of reinsurance to which they relate. The method followed in determining the deferred acquisition costs limits the amount of deferral to its realizable value by giving consideration to losses and expenses expected to be incurred as premiums are earned and also considers anticipated investment income.

**Interest and Dividend Income**

Interest and dividend income is recognized net of withholding taxes.

**Losses and Loss Adjustment Expenses**

Losses and loss adjustment expenses paid are recorded when advised by ceding companies. The liability for loss and loss expense provisions includes an amount determined from loss reports and individual cases and an amount, based on the recommendations of an independent actuary using the past loss experience and industry loss development factors, for losses incurred but not reported. These estimates are continually reviewed and are necessarily subject to the impact of future changes in such factors as claims severity and frequency. While management believes that the amount is adequate, the ultimate liability is subject to inherent uncertainty given the nature of the reinsurance coverage in place and may be materially in excess of, or less than, the amounts provided and any adjustments will be reflected in the periods in which they become known.

**Taxation**

On December 27, 2023, the Government of Bermuda enacted the Corporate Income Tax Act 2023 (“the Act”). The Act introduces a 15% corporate income tax on Bermuda businesses that are part of a Multinational Enterprise Group (“MNE Group”), effective for fiscal years beginning on or after January 1, 2025. The BCIT Act has not been applied to the Company’s condensed financial statements as at and for the year ended December 31, 2023. The Company is not part of such an MNE Group and is therefore not in scope. However, certain U.S. dividend income and interest income may be subject to a maximum 30% withholding tax. Further, certain U.S. dividend income may be subject to a tax at prevailing treaty or standard withholding rates with an applicable country or local jurisdiction.

**15. Related Party Transactions**

The Company has arrangements with subsidiaries of Crabel Holdings, LLC (“Crabel”) to provide various investment management services. Fees of \$Nil and \$(21,984) were expensed during the years ended December 31, 2023 and 2022 respectively for allowed expenses under the arrangements and are included in general and administration expenses. There were no amounts payable to Crabel subsidiaries at December 31, 2023 and 2022.

Amount due to affiliates represents amounts due to its parent, is interest free and payable on demand.

**16. N/A**

- 17.** On December 27, 2023, the Bermuda Corporate Income Tax Act 2023 (“BCIT Act”) was enacted into law. The BCIT Act introduces a 15% corporate income tax (“CIT”) on Bermuda businesses that are part of multinational enterprise (“MNE”) groups with annual revenue of €750 million or more. The effective date for the CIT is January 1, 2025, except for certain provisions commencing January 1, 2024. The BCIT Act has not been applied to the Company’s condensed general purpose financial statements as at and for the year ended December 31, 2023. The Company is not in scope for CIT.

**Part 2: Notes to the Condensed Statement of Capital and Surplus**

**1(a). Capital Stock:**

Authorised, issued and fully paid – 120,000 common shares of par value of \$1 each.

**1(b). N/A**

- 2(c).** During the year ended December 31, 2022, the Company declared a dividend of \$4,500,000. Such amount is included in dividends payable at December 31, 2022 and was paid in January 2023. No dividends were paid or declared during the year ended December 31, 2023.

**Part 3: Notes to the Condensed Balance Sheet**

- 1.** The Company has arranged letters of credit of \$Nil and \$921,259 at December 31, 2023 and 2022 respectively, to secure liabilities pursuant to the Quota Share Retrocession Agreement with MSRe. Cash and deposits equal to this amount are restricted as collateral for these letters of credit.

(a) Movement in the year:

	<b>2023</b>	<b>2022</b>
	<b>\$'000</b>	<b>\$'000</b>
Gross loss and loss expense provisions at beginning of year	417	446

<b>Gross loss and loss expense provisions at end of year</b>	<b><u>389</u></b>	<b><u>417</u></b>

(b) Management believes that the assumptions used in establishing its provision for loss and loss adjustment expenses represent a realistic and appropriate basis for estimating those reserves as of December 31, 2023 and 2022. However, these assumptions are subject to change and the Company continually reviews and adjusts its reserve estimates taking into account all currently known information and updated assumptions related to unknown information. While management believes it has made a reasonable estimate of loss expenses occurring up to the condensed balance sheet date, the ultimate costs of claims incurred could exceed the Company's reserves and have a materially adverse effect on its future results of operations and financial condition. No premium adjustments were made during the years ended December 31, 2023 and 2022.
